## DISHWASHING RINSE AID

*plant based*

A naturally derived rinse aid concentrate for dishwashing machines.

- Leaves all items sparkling with a streak and spot free finish.
- Delivers superior economy - controlled viscosity slows flow rate into the rinse cycle to eliminate overuse.
- Concentrated formula outlasts supermarket equivalents and reduces landfill potential.
- For best results use in combination with Citrus Dishwashing Powder

FEATURES	BENEFITS
High Performance	<ol style="list-style-type: none"> <li>1. Gives a quick dry, streak-free finish</li> <li>2. Leaves no water spotting</li> <li>3. Sheets water from crockery, cutlery and other utensils</li> <li>4. All suspended soils from wash cycles are rinsed away</li> <li>5. Leaves all items sparkling clean</li> </ol>
Controlled viscosity	<ol style="list-style-type: none"> <li>1. Allows slower release into machine, providing maximum economy</li> <li>2. Only a small amount of product is necessary to provide premium results</li> </ol>
Plant derived formula	<ol style="list-style-type: none"> <li>1. Plant derived ethanol assists with quick drying</li> <li>2. Organic Mild Palt based acid helps to neutralise alkaline residues from washing</li> <li>3. Essential Oil based fragrance with Bergamot, Lemon and Lemon Thyme essential oils to provide freshness</li> </ol>
Eco Responsible	<ol style="list-style-type: none"> <li>1. Contains no chlorine, phosphates or nitrates</li> <li>2. Reduces potential for algal blooms and marine toxicity</li> </ol>

SPOT FREE FINISH | DISPENSES ECONOMICALLY | SPARKLING CLEAN DISHES

### DIRECTIONS FOR USE

Fill automatic rinse aid dispenser as required. Do not overfill dispenser.

**NO CHLORINE | NO PHOSPHATES | NO NITRATES**

Contains: Water, Fatty Alcohol Ethoxylates, Ethanol, Citric Acid, Sodium Polyacrylate, Essential oil based fragrance, Dye.
