

ALPHA PLUS

LAUNDRY POWDER

plant and mineral based

ORIGINAL OR OCEAN FRESH

A high performance, phosphate-free laundry powder that delivers exceptional economy and performance. Our unique phosphate replacement technology has created new dimensions in quality and effectiveness.

Boosted with plant derived actives to assist in stain removal, preventing soil re-deposition and rinsing. This gentle technology assists in maintaining the condition of your garment without stripping or drying the fabrics.

Ocean Fresh has an exciting aroma that will fill your laundry and leave a residual freshness in your clothes.

Can be used in top or front loading machines. Ideal for hot or cold washing in hard or soft water. Ultra-concentrated formula delivers exceptional economy and reduces landfill potential.
