

# ALPHA PLUS

## PRE WASH SOAKER

*plant and mineral based*

A gentle herbal enhanced pre-wash stain remover and soaker that removes difficult stains and contaminations from fabrics prior to washing.

Formulated with controlled oxygen release technology, it is phosphate-free and chlorine-free. A better choice for the environment.

Ultra-concentrated formula delivers exceptional economy and reduces landfill potential.

For best results use with Alpha Plus Laundry Powder or Alpha Plus Laundry Liquid.

FEATURES	BENEFITS
Contains no chlorine-releasing compounds	<ol style="list-style-type: none"> <li>1. Safer to handle and have in the home</li> <li>2. Gentle on fabrics</li> </ol>
100% Active Ultra Concentrated Formula	<ol style="list-style-type: none"> <li>1. No fillers or extenders to clog up the waterways or your machine</li> <li>2. Up to 40 washes per 1 kilogram bag*</li> </ol>
Controlled Oxygen Release Technology	<ol style="list-style-type: none"> <li>1. Safer and more gentle on skin, fabrics and waterway eco-systems than typical chlorine or enzyme based compounds</li> <li>2. Protein based soils are solubilised in a harmless, efficient manner</li> <li>3. Biodegrades quickly - no contribution to eutrophication of waterways</li> </ol>
Phosphate-free Formula	<ol style="list-style-type: none"> <li>1. Unique Phosphate replacement technology provides superior performance.</li> <li>2. Lower environmental impact</li> <li>1. Same technology as award winning Alpha Plus Laundry Powder</li> </ol>

IDEAL FOR SENSITIVE SKIN | SUPERIOR CLEANING RESULTS | WHITENS AND BRIGHTENS FABRICS

### DIRECTIONS FOR USE

Add 1 x 25g scoop to soak in machine or in bucket. Use in cold water to remove blood, fruit, dirt, coffee and tea stains. Use in hot water to remove grease and oil based stains. Completely dissolve powder into the water before completely submerging the items to be soaked.

Refer to clothing manufacturers washing instructions. Only use on washable and colourfast items. Check for colourfastness by soaking a hidden part of the clothing for at least 2 hours. Soak colours and whites separately. Do not soak metal buttons or zippers. Not recommended for use on wool, silk, satin, leather, or clothing with non-colourfast dyes.

**NO ENZYMES | NO CHLORINE | NO PHOSPHATES | NO SLS | NO FILLERS OR EXTENDERS**

\* Based on 1 x 25g scoop as directed on label (2kg).

# Product should always be used as directed on the label. In areas of frequent grey water use, we strongly recommend to monitor the pH of the soil.

Contains: Sodium Carbonate, Sodium Percarbonate, Sodium Citrate, Sodium Silicate, Sodium Gluconate, Lauryl Glucoside, Sodium Lauryl Glucose Carboxylate, Sodium Polyacrylate, Soapwort Extract, Mint Balm Extract, Essential oil based fragrance.
