

RECOVERY HAIR MASK

For dry/damaged hair

A deep moisturising, naturally derived conditioning hair mask with an exotic essential oil based fragrance, formulated to revive and nourish dry and damaged hair.

Nourishing Passionflower, Jojoba and Avocado oils deeply moisturise and condition hair, restoring vitality, softness and shine.

The pH balanced formula is fortified with Wheat Proteins, Amino Acids, Panthenol, Vitamin E and extracts of Horsetail & Nettle to promote the recovery of dry and damaged hair.

FEATURES	BENEFITS
Passionflower Seed Oil	This exotic plant derived emollient is rich in essential Omega-6 fatty acids and helps to moisturise and condition dry and damaged hair.
Jojoba Oil	This remarkable non-greasy moisturiser extracted from the seeds of the Jojoba plant deeply conditions hair and helps to add shine and softness to hair.
Avocado Oil	This emollient oil moisturises the hair and gives your hair a smooth, shiny and healthy appearance.
Exclusive 'Amino-Syne' Technology	A specially selected blend of amino acids that imparts brilliance and lustre to the hair strands, supporting the healthy state of the hair, assisting with moisture retention, and providing a moisture balancing effect on hair.
Horsetail & Nettle Extracts	These restorative botanical extracts help to nourish and condition the hair and scalp and provide a healthy shine to hair.

DIRECTIONS FOR USE:

After washing, squeeze excess water from hair. Apply and massage gently through hair. For best results, leave 3-5 minutes before rinsing.
