

ROOM SPRAY

BALTIC AMBER & MUSK

JAPANESE QUINCE

TUBEROSE & GARDENIA

A premium quality air freshening spray that will add a designer touch to any room. The unique 2-step action ensures that odours are eliminated quickly & completely, rather than being temporarily masked.

- The first action uses a soy based odour neutralising ingredient to rapidly eliminate existing odours. Whilst the stale and unpleasant odours are being eliminated, the second action is adding a delicate burst of fragrant freshness to the air.
- Harnessing the indulgence of premium essential oil based fragrances; Tri Nature's Designer Series Room Sprays are the epitome of luxury.
- Available in 3 fresh fragrances
